TOWN WARRANT

The Polls will be open from 10:00 am to 7:00 pm.

To the inhabitants of the Town of Wakefield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Paul School in said Wakefield on Tuesday, the twelfth day of March, 1991 at ten of the clock in the forenoon, to act upon the following articles, numbered 1 through 20:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.

ARTICLE 2: Are you in favor of changing the term of the Town Clerk from one year to three years, beginning with the term of the Town Clerk to be elected at next year's Town Meeting? (By Petition).

ARTICLE 3: Are you in favor of the adoption of the Town of Wakefield Floodplain Development Ordinance which would assure continued eligibility in the National Flood Insurance Program, as proposed by the Planning Board?

ARTICLE 4: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the town zoning ordinance as follows: restates and clarifies the definitions and status of non-conforming lots of record and non-conforming uses?

ARTICLE 5: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the town zoning ordinance as follows: establishes a procedure to designate the edge of State highway rights-of-way?

ARTICLE 6: Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the town zoning ordinance as follows: requires that setbacks be measured from the edge of highway rights-of-way rather than from the centerline of roads?

ARTICLE 7: Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the town zoning ordinance as follows: establishes a rear setback in Residential II Zone for lots without shorefront?

ARTICLE 8: Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the town zoning ordinance as follows: clarifies and expands the definition of 'Home Occupation'?

ARTICLE 9: Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the town zoning ordinance as follows: revises the definitions of 'building' and 'setback' and establishes a definition for 'structure'?

ARTICLE 10: Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the town zoning ordinance as follows: clarifies types of permitted uses in the Residential I zone?

ARTICLE 11: Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the town zoning ordinance as follows: defines and allows 'museum' as a permitted use in the Business & Commercial zone and by special exception in the Agricultural zone?

ARTICLE 12: Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the town zoning ordinance as follows: allows multi-family housing for the elderly and life-care facilities for the Elderly by special exception in all zones and repeals all other existing or currently proposed Senior Housing Districts?

ARTICLE 13: Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the town zoning ordinance as follows: revises the penalty clause to conform with State Statute RSA 676:17?

ARTICLE 14: Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the town zoning ordinance as follows: replaces the provisions for septic systems setbacks from wetlands with a general provision requiring septic system setbacks from surface waters and wetlands?

ARTICLE 15: Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the town zoning ordinance as follows: replaces the term 'light manufacturing' with 'light industry' in the Light Industrial Zone permitted uses?

ARTICLE 16: Are you in favor of the adoption of Amendment No. 13 as proposed by a petition of certain voters of the Town of Wakefield for the town zoning ordinance as follows: provides for the establishment of another Senior Housing District on 2.3 acres of land, more or less, on Route 109 approximately 1/2 mile west of Sanbornville? (DISAPPROVED BY THE PLANNING BOARD).

ARTICLE 17: Are you in favor of the adoption of Amendment No. 14 as proposed by a petition of certain voters of the Town of Wakefield for the town zoning ordinance as follows: replaces the Business and

Commercial zone with the Agricultural zone in Union Village? (DISAPPROVED BY THE PLANNING BOARD).

ARTICLE 18: Are you in favor of the adoption of Amendment No. 15 as proposed by a petition of certain voters of the Town of Wakefield for the town zoning ordinance as follows: suggests establishing a 300 acre Industrial Park? (DISAPPROVED BY THE PLANNING BOARD).

ARTICLE 19: Are you in favor of the adoption of Amendment No. 16 as proposed by a petition of certain voters of the Town of Wakefield for the town zoning ordinance as follows: rezones tax map 48, lots 9 & 11 to Business and Commercial zone? (DISAPPROVED BY THE PLANNING BOARD).

ARTICLE 20: Are you in favor of the adoption of Amendment No. 17 as proposed by a petition of certain voters of the Town of Wakefield for the town zoning ordinance as follows: rezones tax map 46, lot 2 to Light Industrial zone? (DISAPPROVED BY THE PLANNING BOARD).

You are hereby notified to meet at the Paul School in said Wakefield on Saturday, the sixteenth day of March 1991 at seven o'clock in the evening, to act upon the following subjects:

ARTICLE 21: Are you in favor of entering into a one year contract with the Union Fire Precinct to furnish fire protection for the rest of the Town outside the Precinct in the amount of thirteen thousand six hundred seventy-five dollars (\$13,675)? (RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 22: Are you in favor of accepting the Union Village fire protection responsibility, accepting the fire fighting assets and equipment of the Precinct and maintaining a Town fire station in Union Village if the Union Fire Precinct should vote to dissolve? (Majority vote required).

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) for the purchase of a truck for the Highway Department, authorize the Board of Selectmen to apply the Highway Truck capital reserve funds of twenty-five thousand dollars (\$25,000) plus interest to said purchase, and raise the balance through taxation. (RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of forty thousand dollars (\$40,000) to acquire the Randall property, Tax Map #27, lot #54, adjacent to the Wakefield Landfill site, and Tax Map

#29, lot #12 located on the west side of Route 16, by agreement or eminent domain proceedings. (BUDGET COMMITTEE RECOMMENDS \$23,200) (Majority vote required).

ARTICLE 25: To see if the voters of the Town of Wakefield will authorize the Selectmen to enter into an agreement with the Town of Brookfield for the joint use of the Wakefield sanitary landfill facilities for a period of five (5) years beginning January 1, 1991. (Majority vote required).

ARTICLE 26: To see if the voters of the Town of Wakefield will authorize the Selectmen to enter into an agreement with the Towns of Brookfield and Effingham for the joint use of the Wakefield septage lagoons. (Majority vote required).

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of seven thousand five hundred dollars (\$7,500) to begin the reconstruction of approximately 1550 feet of Bulk Head Road. (RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 28: To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) to add to the existing Capital Reserve fund for the future cleanup and closing of the Wakefield Landfill site. (BUDGET COMMITTEE RECOMMENDS \$65,000) (Majority vote required).

ARTICLE 29: To see if the Town will vote to adopt the Wakefield Landfill Ordinance governing the use of the Wakefield Sanitary landfill? (Majority vote required).

ARTICLE 30: To see if the Town will vote to adopt a bylaw to read as follows: Distribution of campaign materials or electioneering within 100 feet of any building used as a place for voting on the day of any election is prohibited. Failure to conform to this bylaw shall constitute a violation in accord with RSA 31:34-c? (Majority vote required).

ARTICLE 31: To see if the Town will vote to raise and appropriate the sum of \$2,500 (two thousand five hundred dollars) for materials only to replace the roof on the north side of the Wakefield Fire Station. (BY PETITION) (RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 32: To see if the Town will raise and appropriate the sum of three hundred thirty-five dollars (\$335) to assist the Family Health

Centre. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 33: To see if the Town will raise and appropriate the sum of \$200 to repair the dry hydrant located at Beverly Hills Beach, Beverly Hills Drive, Belleau Lake Development, East Wakefield, New Hampshire. (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 34: To see if the Town will raise and appropriate the sum of \$100 annually to maintain the dry hydrants of Belleau Lake Development, East Wakefield, New Hampshire (BY PETITION) (NOT RECOMMENDED BY THE BUDGET COMMITTEE) (Majority vote required).

ARTICLE 35: To see if the Town will vote to approve the following resolution: This measure would memorialize Congress to propose a Constitutional Amendment, for ratification by the States, which would specify that the Congress and the States shall have the power to prohibit the physical desecration of the American Flag.

Whereas, although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

Whereas, certain actions, although arguably related to one person's free expression, nevertheless raise issues concerning public decency, public peace, and the rights of expression and sacred values of others; and

Whereas, the American Flag to this day is a most honorable and worthy banner of a Nation which is thankful for its strengths and committed to curing its faults, and remains the destination of millions of immigrants attracted by the universal power of the American ideal; and

Whereas, the Law as interpreted by the United States Supreme Court no longer accords to the Stars and Stripes that reverence, respect, and dignity befitting the banner of that most noble experiment of a Nation-State; and

Whereas, it is only fitting that people everywhere should lend their voices to a forceful call for restoration to the Stars and Stripes of a proper station under law and decency; now, therefore be it

Resolved, that copies of this resolution be transmitted to the speaker of the U.S. House of Representatives, the President of the U.S. Senate

and all members of the congressional delegation from the State of New Hampshire. (BY PETITION) (Majority vote required).

ARTICLE 36: To see if the Town will approve the transfer of one 1985 Ford Crown Victoria Cruiser, retired from police service during 1990, to the Wakefield Fire Department. (BY PETITION) (Majority vote required).

ARTICLE 37: To see if the Town will accept the donation of a Ford Module ambulance from the Wakefield Firemen's Association, to be used as a utility/rescue vehicle by the Wakefield Fire Department. (BY PETITION) (Majority vote required).

ARTICLE 38: To see if the townspeople will approve, that before any monies are spent, whether for services rendered or for any contracts over \$1,000, either municipal or school department, must be put up for bid. (BY PETITION) (Majority vote required).

ARTICLE 39: To see if the townspeople of Wakefield will approve that the Wakefield School District Annual Meeting be held on the same day as the Wakefield Town Meeting; thus combining both meetings into one. (BY PETITION) (Majority vote required).

ARTICLE 40: To see if the townspeople of Wakefield will instruct the Selectmen to have posted appropriate signs, e.g.: slow down - danger curve - stop, at the dangerous junction of Ballard Ridge Rd., Pine River Pond Rd. and Leighton Corner Rd. to prevent further fatal or near-fatal accidents from happening. (BY PETITION) (Majority vote required).

ARTICLE 41: To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the Town by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require, in accordance with applicable NH Statutes. (Majority vote required).

ARTICLE 42: To see if the Town will authorize the Selectmen to borrow money as may be necessary to pay Town bills in anticipation of taxes. (Majority vote required).

ARTICLE 43: To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and state grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money. (Majority vote required).

ARTICLE 44: To see if the Town will vote to raise and appropriate the sum of one million, six hundred fifty thousand, six hundred ninety-eight dollars (\$1,650,698), inclusive of previously approved individual warrant articles, to defray town charges as submitted by the Budget Committee. (Majority vote required).

ARTICLE 45: To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord nineteen hundred and ninety-one,

Robert Glidden
Christopher M. Bancroft
John Fisher
Selectmen of Wakefield

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Wakefield
Wakefield, New Hampshire

We have audited the financial statements of the Town of Wakefield as of and for the year ended December 31, 1989 and have issued our report thereon dated March 8, 1990.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws, regulations, contracts and grants applicable to the Town of Wakefield, is the responsibility of the Town's management. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we performed tests of the Town's compliance with certain provisions of laws, regulations, contracts, and grants. However, it should be noted that our objective was not to provide an opinion on overall compliance with such provisions.

The results of our tests indicate that, with respect to the items tested, the Town complied, in all material respects, with the provisions referred to in the preceding paragraph. With respect to items not tested, nothing came to our attention that caused us to believe that the Town had not complied, in all material respects, with those provisions.

This report is intended for the information of management and the applicable State and Federal agencies. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the Town, is a matter of public record.

March 8, 1990

Paul J. Merrick, Jr. CPA
Plodzik & Sanderson
Professional Association

ADDITIONAL AUDITOR'S NOTE

The accounts of the Town of Wakefield for the year of 1990 have been examined by the independent auditing firm of Plodzik & Sanderson Prof. Assoc. of Concord, N.H. Their report, although not available in time to be printed in this report, will be available for public inspection at the Selectmen's office by the end of March.

WAKEFIELD AREA AMBULANCE CORPS ANNUAL REPORT

The Wakefield Area Ambulance Corps responded to 206 calls during 1990. These included 117 motor and water accidents, 136 home accidents and sudden illnesses and 13 fire standbys. A total of 125 patients were transported to the hospital, of which 79 were residents, 4 responses were for mutual aid to other communities and 14 responses were for mutual aid to Wakefield when more than one ambulance was required.

We currently have 19 members of which ten are Emergency Medical Technicians. Of the ten Emergency Medical Technicians three are qualified for defibrillation, and two are qualified for intravenous treatment. We have four members who are Advance First Aid qualified. One new member is presently enrolled in an EMT course.

During 1990 the Corps members logged 1,550 hours of voluntary man-hours on ambulance calls and training with no compensation.

Statistics showed that more requests for assistance were on Wednesdays and Saturdays and that June, July, August, September and December were the busiest months.

The corps also has and maintains a snowmobile and stretcher sled for emergency calls to areas that the ambulance is unable to reach.

The Wakefield Ambulance Association, made up of interested townspeople and Corps members, donated \$1,460 in equipment from Memorial Donations and regular donations.

Any person who would like to assist the Ambulance corps but has no desire to be a medical attendant could do so by joining the Association. Any interested person can call Charlotte Palmer.

Please remember the Corps still holds a monthly Blood Pressure Clinic, the first Wednesday of each month at the Fire Station from 10:00 A.M. until noon. Any one interested is welcome to come in and have their blood pressure checked free of charge.

We are always looking for new people to become Corps members. Any interested person can call the Selectmen's Office or get in touch with a Corps member. The more people we have, the better job we can do for Wakefield residents and visitors when they need medical assistance.

Malcolm H. Kurth, Director
Wakefield Area Ambulance Corps

CODE ENFORCEMENT OFFICER'S REPORT FOR 1990

Construction in 1990 was the slowest it has been in many years. A comparison of the building Permits issued in the last five years is shown below:

Type of Permits	Years				
	1990	1989	1988	1987	1986
New House Starts	25	55	61	138	135
Mobile Homes	2	4	3	18	17
Commercial Buildings, Garages, Barns	15	28	24	6	--
Misc. Construction (Additions, Porches, Decks, Pools or Signs)	<u>133</u>	<u>86</u>	<u>151</u>	<u>148</u>	<u>129</u>
Total Permits Issued	175	173	239	310	281

The estimated construction costs based on Building Permits issued was slightly under 3 million dollars. This figure is well below the construction cost figures recorded for the past five years. New house starts are well below the numbers recorded in recent years. The majority of permits issued, this year, were for building additions, porches, decks, etc.

The trend of the construction industry in the town of Wakefield is indicative of the conditions of the trade in all of New Hampshire and new England at this time.

Respectfully submitted,
F. Gordon Davis
Acting Code Enforcement Officer
Zoning Administrator
Building Inspector

1990 HIGHWAY DEPARTMENT REPORT

Major priorities to the Highway Department were, of course, snow removal and road maintenance. With the exception of having to replenish our supply of winter sand mid-season, no major difficulties were encountered during the year.

In addition to snow removal and regular maintenance and road repair, the Highway crew worked on the following projects:

1. Reconstruction of approximately 3700 feet of Ballard's Ridge Road and approximately 1060 feet of Brackett Road.
2. Shimming of sections of Brackett Road and Access Road.
3. Resurfacing with a hottop wear coat on 3420 feet of Gage Hill Road, 3700 feet of Pine River Road, and 1150 feet of Brackett Road.
4. Gravel resurfacing of sections of Pickpocket Road, Brackett Road, and Leighton Corner Road.
5. Extensive brush cutting was done along the roadsides of many roads. To keep the cost of chipper rental down, the crew works on brush cutting and burning during the winter, as time permits.
6. Ditching and drainage work was again accomplished on many roads in addition to those scheduled for 1990.

The only major highway equipment upgraded during 1990 was the one-ton dump truck, plow and spreader.

Respectfully submitted,
Ernest Nason, Road Agent

WAKEFIELD CABLE TELEVISION

As of February 1, 1991, Wakefield has approximately 664 subscribers.

All power and telephone poles have been reviewed, and the P.S.N.H. and N.E.T. & T. have to rework a number of poles before Grass-roots Cable Systems can make ready the remaining system. Because of this, their program advancement has been delayed.

It is estimated that Phase II will be completed by May, and Phase III will be completed by the fall and winter of 1991.

Phase III completes the program. The existing system has operated very efficiently. There will be approximately 1,100 plus subscribers.

Respectfully submitted,
JOHN FULLER, Chairman
Wakefield TV Committee

WAKEFIELD PLANNING BOARD REPORT

During 1990 the Planning Board approved 11 subdivisions for a total of eleven new lots and three lot line adjustments. In addition the Planning Board reviewed three plans that were not acted upon, and denied one plan. The Board has one pending subdivision of 13 lots and one conditionally approved subdivision with 12 Commercial/Light Industry lots.

The Planning Board has been working on the development of Site Plan Review Regulations, and a public hearing will be set up in April. The Planning Board and Zoning Board of Adjustment worked together at a joint session on updates and proposed zoning amendments to be presented to the voters on March 12, 1991.

Among the proposed zoning amendments is an amendment which would allow housing and care facilities for the elderly by special exception in all zones and eliminates "spot zoned" Senior Housing District(s).

The Planning Board continues to meet regularly on the second and last Thursday of each month. All interested parties are encouraged to attend and provide input to the Board.

Respectfully Submitted,
Melvin Akers, Chairman

1990 LANDFILL REPORT

The past two years have seen many changes at the Landfill facility. Rather than leave the operation and maintenance to an outside contractor, the Town began operating the facility with its own employees in April of 1989. This has allowed us to better control the daily operations and the new recycling policies.

We have made progress toward the general cleanup of the site, including the disposal of two trailer loads of tires at a cost of \$1,127 per load. The 1991 budget proposal includes funds to continue this cleanup and dispose of several more loads of our ever-increasing supply of tires! In 1990, we collected \$835 in tire disposal charges at the Landfill.

The better control and separation of the different categories of scrap metal have resulted in a revenue return of \$2,881 for 205.2 tons of scrap metal and white metal during 1990, rather than scrap metal disposal charges of \$2,845 and \$3,096 during 1988 and 1989 respectively.

Other recycling revenues include \$8,080 for marketing 11.7 tons of aluminum cans and \$1,668 for marketing 112.2 tons of glass. The costs associated with our recycling effort are not offset by these revenues; however, the recycling policy is intended to conserve valuable landfill space, not generate revenues.

Last Spring a Solid Waste Advisory Committee was appointed to assist the Board with evaluating solid waste issues and recycling options. This Committee prepared an informational handout to promote recycling and assisted in the regional Household Hazardous Waste Collection day held in July. We continue to work together to provide the most cost effective and environmentally sound means of solid waste disposal for our community.

ZONING BOARD OF ADJUSTMENT

Your Zoning Board of Adjustment for 1990 had the following members:

Joseph S. King, Chairman
Catherine Frechette, Vice Chairman
Harry Bryam, Clerk, resigned June 1990
Artis Remick, Communication Coordinator
Nancy Cooper, Member
Thomas Stanley, Member, part of year
Thomas Stanley, Alternate, part of year
Herbert MacKinney, Alternate
Richard Nelson, Alternate
Margaret L. King, Secretary (non-voting member)

For 1990 seventeen (17) applications were presented for public hearing.

Commercial - 2
Subdivision - 0
Museum - 1
Residential - 14

Twelve variances were granted and five denied at the initial hearings. One other application was received and found to be incomplete; it was returned to the sender. No action was taken as the applicant did not return his application. Another application was received at the end of the year and will be scheduled to be heard early in January. There was one application for a rehearing; this application for a rehearing was denied as the Board felt there was no new evidence presented in the application.

The responsibility of the Zoning Board of Adjustment is to act only in accordance with state law and regulations, and local zoning ordinance. This Board does not have the power to change the zoning ordinance. Your ZBA hears appeals and administers special provisions of the ordinance, dealing with variances, special exceptions, and administrative decisions.

JOSEPH S. KING, Chairman

CONSERVATION COMMISSION REPORT

The Wakefield Conservation Commission was established in March, 1988 by Town vote (RSA-36A), consisting of five members appointed by the Board of Selectmen. Meetings are held the second Monday of each month at 12:30 p.m. at Town Hall. The public is welcome to attend.

The purpose of the Commission is to research use of local land and water areas, and establish an index of open space and wetland areas as a part of public information. Another purpose is to review requests for filling, dredging and docks that are sent to the Wetlands Board. This Wakefield Conservation Commission does not have decision making powers, but makes recommendations to State and local agencies.

This year we have reviewed 83 applications, made several onsite inspections and are in the process of mapping the open spaces and identifying the wetlands. Onsite inspections are made of wetlands in line with the policy of the Department of Environmental Services, Wetlands Division, to assist in the review process.

We have received a generous gift of land from Douglas Woodward, located in a wetlands area off Rte. 16. It will be used for the protection of our environment. Any gifts of money may be placed in the Conservation Fund and allowed to accumulate from year to year for the purchase of land and development rights.

We will miss member Ken Whaley who with his wife, Babs, was killed in a tragic automobile accident this year.

PARK AND RECREATION DEPARTMENT

The Town of Wakefield, Parks and Recreation Dept. had an extremely successful and exciting year.

We increased youth participation in our programs by an average of 12% to 15%; introduced a sailing program and several adult programs, while closing the year well under budget.

In the third year of our fully Town sponsored sports programs, we are very happy to report tremendous success in helping to curb juvenile delinquency in Wakefield by providing healthy and challenging sports programs for our children.

We erected an outdoor basketball facility by the town beach, were able to give free swimming instruction to the children at the town beach, and we now have a very successful adult basketball program.

We are very fortunate to have a large number of skilled volunteers to run our programs.

WAKEFIELD POLICE DEPARTMENT REPORT 1990

The Department continues to upgrade methods to recruit and retain motivated, capable officers, and to elevate training and educational levels.

The weakened economy and the rise in unemployment create stress in all communities. This can present a potential climate for increased criminal activity and domestic disturbances. Our current training priority focuses on ensuring our officers' awareness and preparedness in providing proper and effective services to address the effects of these economic stresses.

The surplus in this year's Department budget reflects my continued careful monitoring and management of the resources of the Department in the interest of the taxpayers.

GAFNEY LIBRARY, INC.

The circulation for 1990 was 16,315 volumes. We purchased 497 new books and 178 new members were issued library cards. A donation of classic books (56 volumes) was added to the collection.

Library hours are:

Tuesday 1-7

Thursday 1-5

Saturday 10-4

The public is welcome to use the photocopier. The charge is 10¢ per copy.

The children's programs were under the direction of Ann Gehring. The Hazel MacBrien Nursery School visits the library monthly to view films and to take out books. Story hours are held periodically throughout the year. The summer reading program, "Get that reading rhythm" was enjoyed by 48 readers. In August Cosy Sheridan, guitarist, entertained the children. A successful Children's Book Fair was held and the proceeds toward the purchase of new children's books.

Adult programs sponsored by The Friends of the Wakefield Libraries were: "Heroines," a talk by Ingrid Graff and "Backyard Archaeology" under the direction of Howard Sargent.

In August local artists displaying their works in the library were: Olive Judd, paintings; Ruth Smith, pottery and Ted White, pewter.

Books are delivered each week to the Mountain View Nursing Home by a volunteer.

In addition to books, patrons may also borrow videos, cassettes and magazines. Again this year a very successful book sale was held under the direction of Mr. Alden Young. The proceeds of this were used to buy children's reference books.

Again this year my thanks to the Trustees, the Friends of the Libraries, children's librarian Ann Gehring and a special thanks to all the volunteers.

The Trustees are: John Hraba, President; Titia Bozuwa, Vice President; Ruth Fogelin, Treasurer; Lois Hall, Secretary; Adelaide Hughes and Alden Young.

UNION VILLAGE LIBRARY ANNUAL REPORT 1990

The Union Village Library was busy the past year with some new activities added to our usual ones. A children's story hour was held during the summer. Eleanor Eastman again volunteered her time. The trustees generously served punch and cookies at each session. We also had a successful summer reading program. Many children participated and a large number of books were read. We also had an adult discussion group this summer.

The Union Kindergarten Class visits the library weekly.

We added 85 volumes to our collection. Circulation for the year was 2,090.

We appreciate being able to borrow books from the Gafney Library occasionally.

The trustees of the library are: Mrs. Laura DeForest, Miss Eleanor Eastman, Mrs. Marion Nason, Mrs. Janet Shea, Mrs. Lillian Sohn and Mrs. Arlene Tibbetts.

The Union Village Library is open 7:00-9:00 PM Monday & Wednesday and 2-4 PM Saturday.

**WAKEFIELD LIBRARY ASSOCIATION
LIBRARIAN'S REPORT
1990**

The Wakefield Library has been open during the past year on Wednesdays from 2 to 5 pm, as usual. In addition it was open during July and August on Saturdays from 2 to 5. This extra service was apparently appreciated and will probably be offered again in 1991.

Our circulation was 1118 books and we added a few new patrons. Also gifts or money and books were given which is much appreciated.

The trustees are: Russell Fogelin, Chairman; Mrs. Debra Joyce, Secretary; Mrs. Ruth Fogelin, Treasurer; Mrs. Pamela Judge, Alden N. Young and Kenneth Beaupre.

Respectfully submitted,
LILLIAN R. BROWN, Librarian

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

TOWN OF WAKEFIELD FIRE DEPARTMENT 1990 REPORT

During the year of 1990, the Wakefield Fire Department roster consisted of 1 Chief, 1 Assistant Chief, 5 Officers and 36 Firefighters.

The Central Station in Sanbornville consisted of 3 Officers with 28 Firefighters manning two pumper trucks and two tanker trucks. The East Wakefield Station consisted of two Officers with eight Firefighters manning one pumper truck and one tanker truck.

The Fire Department's improved training program helped familiarize the Firefighters with the hazards they may encounter in a variety of emergency situations, and taught them how to effectively use the equipment to lessen those hazards. During the year, 6 Firefighters completed the nationally recognized Firefighter Level 1 course, bringing the total number in the Wakefield department to 19 who are State Certified.

With the arrival of the second of the two new pumpers purchased by The Town of Wakefield, the old 1963 pumper was retired. The arrival of this new apparatus provided the Fire Department with the ability to use large diameter supply hose, allowing movement of large volumes of water to supply trucks at a fire scene. This new capability along with the receipt of new hand and power tools continued to improve the efficiency and effectiveness of our Fire Department. More improvements are essential, and we must continue to support these efforts.

The Wakefield Fire Department responded to 125 emergency calls during 1990, expending a total of 316.5 hours of fire truck use, and 2,092.5 man hours.
